

PROS List of the Most Urgent Pedestrian and Transportation Needs in Cambria

Background and Purpose of this Document:

The Parks, Recreation & Open Space Committee (PROS Committee) is a standing committee of the Cambria Community Services District (CCSD) focused on meeting the parks, recreation & open space needs of the Cambria community. Some of these needs can be met entirely by the CCSD, but many of these needs require support and funding from the County of San Luis Obispo. The PROS Committee understands that the County faces funding challenges, and that not all needs can be satisfied as quickly as the community would like. Nonetheless, it's important to be clear and consistent regarding our priorities, to enable the County to establish long term plans. The purpose of this document is to clarify the most urgent of these needs.

It is also worth noting what this document does not address. This document does not address road repairs such as the Santa Rosa Creek Road and Pine Knolls Drive, or any other scopes outside the purview of the PROS Committee.

The Most Urgent Projects Cambria Needs from the County:

Note 1: Further details in Purpose and Need: Safe Walkways at 4 Intersections, by Kermit Johansson. It may be advantageous to discuss these 4 areas as one bundled project, but they are shown separately in this table to make it easier for the public and the committee to weigh in on priorities.

For reference, a similar starter list clarifying needs from CalTrans:
